In whom it may concern. we
the people of Cone Hill, Ark.
our post office remain
left alone.

I have picked up my mail
there for over 20 years. Got my
stamps, sent packages + money orders.

You don't have to use much
gas to get there.

The older people would like it
to stay as is. Some of them do not
drive to a busy town as Lincoln
Prairie Grove.

I do not want a mail box
Some of them have been swamped
broken into + etc.

Is this what we have to look
forward to.

Close the post office on Saturday.
That would be better than cutting
our postal workers there whole pay check.

Someone that
cares!
